

Garden City University College

General Information for Undergraduate Applicants

We at Garden City University realize that a student's academic performance and ability to contribute efficiently in lectures and group projects are important. Thus, we consider each application carefully, reviewing the following criteria:

Academic History

- Senior High School transcripts
- English translation of transcripts and course descriptions where applicable.

Standard Examination Results

Either of the following examination results is required:

- West African Senior Secondary School Examination (WASSCE) and/or Senior High School Certificate Examination scores – a minimum score of Aggregate 24 is required to apply.
- IGCSE/GCE 'O' Level or equivalent scores ('A' Level scores if available)

Interview

- By invitation only

Please complete the application form in CAPITAL LETTERS.
